Self-guided walk - Mountain Creek Nature Trail

Any time

The clear winter light coming through the canopy of the Blue Gums and Peppermint transform the Mountain Creek Nature Trail in the colder months. 75km east of Albury-Wodonga, allow at least an hour at a leisurely pace to enjoy this 2km walk in the Mountain Creek Education Area, Shelley. Great for the whole family, learn more about the plants and animals and the history of the area by making sure to find and take along a copy of the Mountain Creek Nature Trail pamphlet. The track has numbered trail markers that align with the information in the pamphlet. For a glimpse of the trail head to Visit Upper Murray.
