

## There is something for everyone this WINTER!

### Good for the soul

- The **Great River Road** offers magical views year-round. Jump in the car and stop by your favorite caffeine or breakfast provider before taking in the countryside as the sun burns off the fog and the **snow-capped mountains** come into view from Walwa to Khancoban at locations like Farrans Lookout.

### Heart-warming

- **Pack a thermos** and **curate the most delicious picnic**. Plot your course to one of the stunning scenic lookouts or locations across the Towong Shire to make the most of the midday **winter sunshine**. Following this up with some retail therapy and you've in the making of a perfect day.

### Photographers Paradise

- Layer up and do not let the cold stop you. Winter offers amazing opportunities, especially for **keen photographers**. The frost, mist rising over the hills and in the valleys with views of the snowcapped mountains... the question is: Where to first?

### Crackling Fires & Fantastic Food

- Upper Murray, Mitta Valley, Tallangatta, Bethanga to name just a few places. Book in for lunch at one of the **historic pubs** or organise with family and friends to have a **campfire** and enjoy a pot of billy tea.

### On the Trail

- The region features a range of walking tracks, nature trails and lookouts which provide a great experience for of all ages and abilities. Nothing better than fresh air as you hit the trail to start exploring. The **High Country Rail Trail** caters to cycling enthusiasts. Peaceful away from the crowds.

### For the Nature Lover

- You will be amazed by how the sites and attractions in the Upper Murray, Mitta Valley and Lake Hume surrounds, transform into a whole new experience in winter. In this part of the world, **birdlife** abounds in the winter as well, with the vivid plumage of the Crimson Rosella's create an amazing contrast with their surrounds. Watch the mist rise over the **waterways** and soak in the sounds of your surrounds.
